### 2017 Share descriptions

**Vegetable Share:** One full share typically satisfies a family of four or two dedicated vegetarians. Savvy shareholders put up portions of seasonal produce for the winter months. Newcomers can be overwhelmed by the bounty; split a share with someone to lighten the load or opt for the every-other-week half share.

**Full share:** \$650, May 24-November 4. The full 24-week growing season, from the first greens of spring to the final roots of fall and everything in between.

**Half share:** \$350, Same as full share, but pick up is once every 2 weeks.

**Returning work share:** \$225 Full share in exchange for 4 hours work each week.

**New work share:** Contact us for more information and availability.

**Summer share:** \$475, June 28-September 30. This 14-week share is for those who prefer the colorful fruits of summer and want to pass on the cooler season crops.

**Half summer:** \$250, Same as summer share, but pick up is once every 2 weeks.

**Winter share:** Storage crops like squash, sweet potatoes, garlic, onions; hardy roots like carrots, parsnips, beets; and a wide variety of cold weather-loving greens. Share details and sign-up in the fall. Fresh Kentucky vegetables year-round.

**Cut Flower share:** \$120, 10 bouquets. A bi-weekly arrangement of freshly cut, seasonal blooms. Summer annuals like sunflowers and zinnias, perennials like butterfly weed and purple coneflower, and farm wildflowers.

**Egg share:** Contact us for availability.

**Chickens:** \$3.50/lb. Whole, pasture-raised heritage breeds, freshly processed in July and October. Indicate how many chickens you would like. Payment is due upon delivery.

---
